

Equal Opportunity Employment

ExpressJet is committed to providing equal employment opportunities to all applicants and employees in all aspects of the employer/employee relationship. We do not hire based on identification or supposed identification with any group of people. Instead, it is our goal to base hiring on a prospective employee's character, attitude, skills, work record, training, experience and education.

It is our policy to administer all practices such as recruitment, selection, training, promotions, terminations, transfers, layoffs, compensation, benefits and other terms, conditions and privileges of employment in a manner that does not discriminate on the basis of race, color, creed, age, gender, sexual orientation, citizenship, political affiliation, marital status, religion, veteran status, pregnancy, national origin or disability. No one will be subjected to, and ExpressJet prohibits, any form of discipline or retaliation for reporting, pursuing, or cooperating in the investigation of complaints of employment discrimination that are consistent with this policy.
